

Summary of Last Weeks Message

John 6:5-13 "The Leftovers" by Brad McCain, church planting pastor of FaithPointe Baptist Church in Norman, OK, and Pastor Mike's cousin, who is now married to his wife's sister (He is not, however his own grandpa). Outline: The Multitude (6:5a), The Test (6:5b-6), The Impossible (6:7), The Lunch (6:8-9), The Leftovers (6:10-13). As with the feeding of the 5,000, life is often overwhelming at test's our faith to trust in God's as Provider and give Him our best. The result is His accomplishing more than we could imagine.

Ask if anyone can summarize last weeks message, but be prepared to do so if no one volunteers.

For Group Discussion

Can anyone testify to God's "leftovers" in their lives (can you, group leader)?

What is testing your faith and character currently? What might God be asking of you to sacrifice, that He could bless and multiply?

On a church level, how have you seen God test our faith and bless and multiply our "lunch" beyond what we imagined? If you haven't seen it, what might be some explanation as to why not?

Try to describe the need of our community. What does God want His people to do in faith, that He will bless and multiply to reach our community?

What steps toward application are you taking/will you take in light of this message?

Take time to pray for the church and for one another in your small group.
