For Further Reflection

Read Luke 15:11-32 and consider what this parable might contribute to our understanding of the relationship between God's promises and His laws. Be prepared to discuss your thoughts in your small group.

For Group Discussion

Discuss how people were saved in the Old Testament era compared to how they are saved the New Testament. What are the similarities and differences?

In your own words describe the relationship between God's laws and His promises?

Think of promises (look up scripture) God has made to you. How does your adherence to His commands (or lack of it) affect His promises to you? How does this influence how you live?

Did you grow up in (Do you live in) a home where promises were (are) affected by one's obedience to laws? How does your home environment affect your understanding of the relationship between laws and promises? How does it affect how you live?

How does your life need to change in regard to laws and promises (God's and Yours)?

What is the most meaningful part of this discussion for you?

Take time to pray for one another in your small group.
